INTRODUCTION

Global Trade Connect, established in 2010, is a professional ship store supplying company based in the UAE. Our core activities include providing high-quality cabin, deck, engine, and marine supplies, along with specialized services to the oilfield sector. We also cater to local ship chandlers on a regular basis. With a strong logistics network, we are capable of supplying to all ports within the UAE, as well as in Oman, Saudi Arabia, Kuwait, Bahrain, Qatar, and other international locations.
